

REMARKS

The Office examined claims 2-6, rejected claims 5-6 and allowed claims 2-4. With this paper, claims 5 and 6 are canceled, none are amended, and none are added. The application now includes claims 2-4.

It is believed that all the remaining claims of the instant application are in condition for allowance, and their passage to issue is earnestly solicited. Applicant's agent urges the Examiner to call to discuss the present response if anything in the present response is unclear or unpersuasive.

Respectfully submitted,

Dated: Nov. 27, 2006
